Thank you to contributors to this month. The deadline for September's Icene is 23rd September

The Social Scene

Adding to the return of pub quizzes and coffee mornings: **Ickleton Pub Lunch Club** on the second Tuesday of the month at the Ickleton Lion will start this month on **Tuesday 14th** See page 8.

Calling all gardeners - Allotment Association Show on **Sunday 12th**. Enter your produce. See p 9

And talks... On Music - see page 8 and **Stories in Stained Glass** - see page 7.

The Jumble Sale is now on **Saturday 4th** at 11 am See p 7.

Keeping Ickleton clean

In an otherwise spotless village there have been some reports of dog fouling left on the pavements and dog owners are reminded to deal with this and to use the collection bins.

Stop Press - OpenReach fibre broadband funded by the Government - Get ready for action

The very good news from OpenReach is that Ickleton has joined a prioritised list, but our scheme needs Government approval first.

The indications of interest so far by Ickleton residents and business (referred to as pledges in the Parish Council report on page 3) are within 25% of the total required.

However the **actual pledging process will start once approval has been received.**

When received, details of the OpenReach pledge website will be circulated to all households. Each household pledge will be worth £1,500 and each small business (SME) pledge £3,500.

Please support the scheme whether or not you need fibre broadband - a pledge will cost you nothing but you will be helping others who do need fibre broadband, particularly those working from home or who run a business.

Ickleton Parish Council

Extracts from the Parish Council meeting on 18th August 2021. Your attention is drawn to the following:

Traffic and highways

Speedwatch

Recent observations show that although traffic levels have increased, numbers are still less than those recorded pre-Covid, but there has been a high rate of speeding vehicles compared with pre-Covid times. Figures relating to Frogge Street appear to provide ample justification for the decision to install traffic calming, in that this location used to be a hotspot yielding significant reports of speeding.

Local Highways Initiative 2022-23 bid

The Parish Council are considering submitting a bid to fund village gateway features on Brookhampton Street, Coploe Road and Grange Road. The intention is to make it clearer to drivers that they are entering an area where lower speeds are required. The closing date for the 2022-23 bid is the 30th of September 2021.

Highways England – M11 (junction 6 to 11) temporary restriction and prohibition of traffic:

Notice has been given that Highways England intends to make an Order on the M11 motorway in Cambridgeshire to allow for construction of a new road junction at Harlow, Essex and all associated works and carriageway resurfacing, bridge, technology, drainage, safety fence and concrete bay repair works and general routine maintenance to be carried out in safety.

The works would be carried out in phases and are expected to last for approximately 14 months (8pm-6am) commencing on or after Monday 30 August 2021 with some full weekend closures required from Friday 3 September 2021. Road closures on the M11 and diversions will take traffic along the A1301 and A505.

Rural crime

Parishioners are encouraged to be vigilant and report any suspected incidents of hare coursing and hay stack fires after recent incidents in the area.

Planning

For consideration:

Reference: **21/03360/HFUL**

Proposal: Erection of timber greenhouse on brick plinth

Site address: Ickleton Lodge, 14 Frogge Street, Ickleton, Saffron Walden

Applicant: Mr Michael Hancock

The Parish Council supports this application.

Reference: **21/03685/FUL**

Proposal: Temporary period of 3 years for the construction of a two-storey modular building (temporary sequencing laboratory) comprising of 1,690sqm (GEA) of level 2 laboratories (Use Class E) and ancillary uses including welfare accommodation, toilets, storage, associated plant, cycle shelters, enclosed generator, bin store, loading area, vehicular and cycle parking (including for disabled), utility connections including to adjacent building, hard and soft landscape works including wildlife planting areas, drainage, and associated engineering works and earthworks. This is a Government-backed project which will enable Covid-19 research to relocate into the temporary facility, freeing up existing buildings for the normal work carried out on the Campus.

Site address: Wellcome Trust Genome Campus, Cambridge Road, Hinxton.

The Parish Council has no recommendation with regard to this application.

Tree Works

Reference: **21/0898/TTCA**

Proposal: Walnut tree, T1 - since the crown was last reduced the tree has grown considerably by up to 2 metres on average. It extends over a public footpath and neighbouring gardens. It is proposed to crown reduce it to the points to which it was previously reduced, so after this crown reduction it would be approximately 14 metres by 11 metres.

Holly tree, T2 - it is proposed to reduce the length of some of the side shoots to maintain its conical shape, to the extent done on previous occasions.

Site address: 63 Abbey Street, Ickleton, CB10 1SS

The Parish Council had no comment to make on the proposals.

Openreach fibre broadband funded by the Government's Rural Gigabit Voucher

The preliminary costings for the Openreach fibre broadband funded by the Government's Rural Gigabit Voucher Scheme show that the Parish is £80,000 short of what is needed to fund the scheme. Therefore, it requires a bigger response than the previous 50% who pledged support. The deadline is the 24th of September 2021 and there will be a drive to canvass the required support by the deadline.

Food Bank

The foodbank is a way we can share our food with those who don't have quite enough. Ickleton foodbank is given to John Huntingdon Centre <https://johnhuntingdon.org.uk/> in Sawston who arrange deliveries and collections for those who need it.

The emphasis is on things to keep people warm quickly and easy to carry for those who have no transport - hot drinks, soups, tuna, precooked rice, macaroni cheese, spaghetti hoops. Also cereals, (soft easy to eat) baby products, dog or cat food, toiletries. Please leave at the church in or next to the Food Bank box or call me for collection – thank you for your generosity. Church Services

We're gradually returning to more regular services at church and from September we're introducing a new, more informal service on the **second Sunday** of each month.

This **all age service** will start at 10am and last for about 45 minutes. There'll be songs and hymns, a Bible reading, a short talk and some craft or drama. The first all age service happens on 12th September, when we will be thinking about the amazing world that God has made.

We're also going to start up our regular Taize services from October. This quiet, mindful service with music and readings happens once a month on Sunday evenings from 17th October.

Sundays		8 am	10 am
September	5 th	Whittlesford	Ickleton Parish Communion with Baptism
September	12 th	Hinxton	Ickleton - All age service
September	19 th	Duxford St Peters	Hinxton - Parish Communion
September	26 th	Ickleton	Duxford St Peters - Parish Communion
October	3 rd	Whittlesford	Ickleton - Harvest service

For further details see www.hinkledux.com or the St Peter's Church, Duxford Facebook page.

Please check our church website www.hinkledux.com for up-to-date information. In these COVID times there may be last minute changes. Also you can sign up for a weekly newsletter.

Update on Covid restrictions

Following the lifting of many restrictions, there are no legal restrictions which apply to worship and gathering in church now, only government recommendations and advice! Within our churches, the ministry team will, in common with many places, be encouraging people to continue to use masks and to social distance when inside our church buildings for the time being, with the aim of reviewing this in mid September. We recognise, however, that this is a choice for each individual to make and each person's view will be respected.

Message from Rev Lydia

Bless you!

A while ago, I was watching a TV documentary about the construction of the new London super-sewer, the Thames Tideway. This massive engineering project is designed to increase the capacity of London's sewer network and prevent pollution of the river Thames. The main tunnel will run for 15 miles beneath the city. Work began with a huge crater (the size of St Paul's Cathedral) near Battersea Power Station. The first move was to create a shaft and starter tunnel, ready for a vast tunnelling machine to do the heavy work. I watched as the monster machine was lowered into place and a priest blessed it before it made its way under London.

Many of the people working on the project had international careers: they did this kind of thing all over the world. They appreciated the prayers and joined in enthusiastically where required. And they reflected on the different traditions in other countries where they'd worked: in India they'd do puja (Hindu prayers), in Japan it was prayer boards, sprinkling rice on the machine and a drink of sake. Here in London, it was a Christian blessing. Tunnelling is complex and dangerous work, they said: a blessing at the start of the process – someone asking on their behalf for help from beyond the human sphere - is always welcome.

The conversation got me thinking about beginnings and blessings. When we pray for God's blessing is it just wishful thinking or something rather better? Christians understand blessing as willing good things for someone (or something), but importantly it's not just *our* wills that are involved, but God's as well. When we bless something, we're asking God – who is the source of all good things – to look kindly on whatever we bless.

At the beginning of any enterprise - starting school or university or perhaps beginning a new job or moving house – what's better than a blessing?

This month, many of us will have children or grandchildren starting nursery, school or university – some for the first time. You could tuck a little prayer into their bookbag or

their uni starter kit: something simple like "Dear God, please bless (child's name) at school/nursery/university this year."

And if you're someone who works in a school or nursery or college, here's a prayer for you to use:

God of wisdom,
Give me joy as I start work for this school year;
Give me love for those I meet,
Give me hope for those whose future I affect,
Give me strength for each day
And the knowledge of your presence by my side.
Amen.

Best wishes, Lydia

AUTUMN LECTURES

FRIDAYS AT 7PM IN ICKLETON CHURCH

We are so lucky, in Ickleton, to have, at the centre of the village, one of the most interesting and beautiful churches in East Anglia. Visitors from all over the world come to see it and it has been a place of worship for over 1,000 years.

This Autumn we shall be holding a series of Friday evening lectures in this wonderful space. The first two lectures, by Dr Claire Daunton and Paul Shakeshaft, will throw light on some of the unique treasures within this jewel of a building. The final lecture will be given by best selling author, Francis Spufford, who will speak about his new book 'Light Perpetual.'

Come and be inspired by these local experts and learn more about Ickleton's heritage. The lectures will last for approximately 45 minutes and there will be a chance to socialize and enjoy refreshments before they begin.

Friday 24th September

Stories in Glass by stained glass expert Dr Claire Daunton

Friday 15th October

Ickleton's Remarkable wall paintings by Art Historian Paul Shakeshaft

Friday 19th November

Light Perpetual Best selling author Francis Spufford talks about his new book

Tickets: £12.50 from Ickleton shop

or Online from Eventbrite <http://www.eventbrite.co.uk/o/friends-of-ickleton-church-34049542971>

BELLRINGING IS BACK!

We are hoping to hold a bellringing practice on the **first Monday** of each month.

Also Royston Bellringers will be visiting us on **Thursday 16th September 7.45 - 9.00 pm**. as their bells are unringable due to a fire.

RIDE AND STRIDE LOCAL EVENT

Are you a cyclist or walker? Are you free on Saturday 11th September?

Would you like to explore your local area? And help to raise funds for local churches?

Ride & Stride is a sponsored event for cyclists, joggers, walkers and horse riders. Participants challenge themselves to visit as many churches as they can by their chosen mode of transport and at the same time raise money to support Ickleton church and the work of the Trust.

Money raised will help Cambridgeshire Historic Churches Trust to continue supporting buildings across the country with essential repairs and improvements....including our local church.

Find out more from <https://camhct.uk/ride-and-stride>

Local forms and details from **Glynis Hammond**

Jumble Sale Saturday 4th September 11am Ickleton Village Hall

This will be our first fundraising event for over a year and we need your support to raise funds for our beautiful church. Please come along on the day and spend some money. We have great clothes, shoes, handbags and bric-a-brac at very reasonable prices. The sale is important in two ways – it will raise much needed money and just as importantly it gives the items donated a second chance. So if you care about the environment and recycling and our church this is the event for you.

To donate

If you would like to donate any unwanted clothes, bric-a-brac, shoes, handbags etc to the sale please bring them to the village hall on **Friday 3rd between 12 noon and 4pm** . **You can also leave things at the back of the church**. If items need collecting please contact **Glynis**.

Remember to come along on the day, every pound you spend will help massively and every piece of clothing we save from landfill is a triumph. Start sorting and put the date in the diary.

NEW... Ickleton Pub Lunch Club Tuesday 14th September

Lydia Smith, (our new vicar) has chatted with some Ickleton folk about this idea and got a big thumbs up. Jon, (her husband) is happy to help organise them – planned for the second Tuesday of the month.

We'll enjoy a pub lunch, a drink and each other's company. It's simple, totally informal, no strings and we each pay for our own order, plus a tip if you want to.

The first of these is on Tuesday 14th September.

Please let Jon know **by Friday 10th September** if you'd like to attend. He can then give Mike and Claire an idea of numbers. If it's loads Jon will gather your pre-orders.

ICKLETON SOCIETY

Harvest Walk

Members only event – it may have been Friday 13th August but we were blessed with good weather, blue skies and a cheerful group of members for a rural ramble. We met at Mowbrays Farm where Clare Driver shared some of the history and memories of the Driver family. After walking out of the village and up the concrete road, we went across the large field from Coploe Hill to the top of Whiteways with Clare giving us snippets of Mowbrays' farming history. Stopping for a brief rest and refreshments, we had wonderful views of the fields and the village in the late evening sun which brought home how we need to try and protect this landscape. Finally, a magical sunset accompanied our walk back to the village.

Archaeological Dig

By the time you read this, the Cambridge Archaeology Field Group (CAFG) will have been back once more to resume their dig at Abbey Farm. The week spent digging in July still didn't provide any definite links to the Priory but did show evidence of a lot of activity of a secular nature. We'll see what finds come from this next week and what conclusions can be drawn from them.

Our next event: Coploe Hill – farming and landscape history revealed.

A walk on Sunday 19 September, 2.30pm from the corner of Back Lane and Coploe Road followed by tea and cake back at the rec/Village Hall.

This event is open to everyone.

From the land and fields on either side of Coploe Hill, it is possible to see how farming methods have changed from medieval times to the present day and how they have shaped the landscape. This is a walk with short talks by a number of speakers as we go up Coploe Hill. With the kind permission of landowners, we will be able to have a closer look at a number of features. An added bonus is that we should have a good view of some of the planes taking part in the Battle of Britain Air Show at IWM Duxford. Finally, we'll return to the rec and the Village Hall for tea, cake and a chat.

We would welcome donations of cake (with a list of ingredients please) prior to the walk. Please let me know if you can help.

Village history on the website

In case you have missed them, the village website (www.ickleton.org.uk) includes a small number of items under the heading 'The Village' on the home page. There is a Database of People where you can search the baptisms, marriages and burials of Ickleton residents from the 16th century onwards, an Ickleton timeline which charts the major events in Ickleton's history set against national events, and an article about how the Luftwaffe spied on Ickleton! Thanks to Andrew Shepperd for his work on these.

Duxford Music Workshop fully re-opens - Registration on 18th September

DO YOU ENJOY MUSIC? WOULD YOU LIKE TO SING, ACT OR PLAY AN INSTRUMENT?

Duxford Saturday Workshop is delighted to announce that it will reopen in **Duxford Primary School** in September (subject of course to any last-minute Government rule-changes!) - with **some groups at the Duxford Community Centre**.

The Workshop holds group tuition sessions on Saturday mornings in term-time, where adults and children from 'Year Five' onwards can learn to play an instrument.

In addition to the tuition classes, there is a series of ensembles, ranging from recorders, strings, jazz and wind bands, to folk fiddlers, an adults' community choir and a full orchestra.

There is also a 'junior music group' for children from Year 1 upwards, as well as classes for adult beginners and groups both for 'improvers' and for competent players.

Workshop's members also include adults who have always wanted to learn an instrument but haven't had the opportunity, alongside those who "haven't played for donkeys' years."

AND, even if you don't have an instrument of your own - *don't panic!* – we have a modest collection of instruments for rental on very reasonable terms, so will be happy to help you out if we can.

Please see our website: www.duxfordsaturdayworkshop.org.uk for further details and a list of the classes and ensembles for which we currently have tutors, together with the registration form when it becomes available in the very near future.

Incidentally, we are always delighted to hear from potential new volunteer tutors. You need of course to have the relevant experience, but not necessarily to have any formal academic teaching qualifications. Please do make contact with Arwen as indicated below if you may be interested.

Registration is on **Saturday 18th September, from 10 - 11.30am** at **Duxford Community Centre**, Hunts Road, Duxford CB22 4RE.

Term begins the following week at 9.30am on **Saturday, September 25th**.

Should you have any questions not answered here or on the website, our Director, Arwen Gilbert can be contacted by email: director@duxfordsaturdayworkshop.org.uk

Giving blood saves lives and continues to be needed as a lifeline in an emergency and for people who need long term treatment.

We need almost 400 new donors every day to meet demand, can you help?

NHS Blood and Transplant is holding blood donor sessions in Ickleton Village Hall on the above dates with appointments available between 12.50 - 15.30 and 16.30 – 19.15.

If you are aged between 17 and 65 and in general good health please:

Search for the NHSGiveBlood app

Visit www.blood.co.uk

Or call 0300 123 23 23 for full details or to book an appointment.
