A BUTTERFLY GARDEN and a CHANGING ENVIRONMENT

Competition: Jubilee arrangement - no more than 20cm wide or deep please. Anyone can enter!

Recent Meeting

Roger Harvey from Harveys Garden Plants spoke about cutting and care of garden perennials for floral display in the home...the importance of immersing stems in water immediately after cutting and add 'feed' to the water in the form of florist's sachet or a little sugar. In addition, bleach (¼ teaspoon to 2 pints of water) can help to control bacteria and the water will stay cleaner longer. Wash vases after use in the same solution to keep them free from a build-up of microorganisms.

Roger outlined a selection of perennials of particular use to the flower arranger – Alstroemeria, Agapanthus, Astrantia, Dahlia, Euphorbia, Globe Thistle, Hellebore, Lamium, Spurmium, and many more.

Harveys Garden Plants nursery is open to the general public (by appointment only).

Message from Rev Lydia *Lasting memorial*

Jon and I were on holiday in Wales a couple of weeks ago, enjoying the wonderful landscape of Cardigan Bay. We made the most of the good weather and the beautiful scenery, as we walked some sections of the Wales Coast Path. This great route, which takes in the whole coastline of Wales, has just reached its 10th anniversary. Sadly, we didn't manage to cover very much of its 870 miles, but we loved the bits we did see.

One place in particular captured my imagination: the churchyard at Llanfihangel y Traethau. In this peaceful location, amongst the many Victorian headstones to Joneses and Evanses, to sailors and sea captains, there

is an unusual and ancient monument. It's a slim stone pillar, with words carved in vertical lines on its sides. The inscription is in Latin and is now pretty hard to decipher. According to the experts, it means '*Here is the tomb of Wleder mother of Hoedlyw who first built this church in the time of King Owain.*'

The king mentioned is usually called Owain Gwynedd and he reigned from about 1137 to 1170, so we have a rough idea of when the church was built. Nothing is known about Wleder or Hoedlyw, her son: they remain, tantalisingly, just names. Yet for all that, Wleder's involvement in building the church and the work of those who loved her and made the stone marker to remember her has provided a lasting legacy. It's been a place to think and breathe and be at peace for the thousands of people who came after her. And although the surrounding landscape is amazing, the sense of tranquillity doesn't just come from the view, but also thinking of the generations of worshippers and pilgrims who have visited the church and its churchyard.

I wonder: what's your peaceful place? Many people find outdoor spaces most helpful – whether that's the natural landscape or a beautiful garden. But a particular spot in your house, with a favourite chair may do just as well. A place where, even as you approach it, you feel the tension of the day leave, where you can be still and reflect.

Incidentally, this remote site is also the last resting place of others whose stories we've not lost: the author, Richard Hughes, who wrote *A High Wind in Jamaica* and the 18th century sect leader Mary Evans (check out the Wikipedia entries for them, if they are unfamiliar to you).

All good wishes

Lydia

Paul Rose

Paul Rose, aged 65, loving husband, dad of two, grandad and friend to all. He passed away unexpectedly on Tuesday 8th February.

Paul was born in Greenock in Scotland and grew up in Waltham Abbey (London) alongside his two brothers. In his teens Paul did an apprenticeship to become a tool maker engineer at The Royal Small Arms in Enfield, which is now sadly closed.

In the late 80's Paul had his own block paving company - Westwood Rose Paving - where he employed quite a few talented block pavers. Unfortunately in the 90's, recession hit a lot of building firms and WR was one of them. Paul would never let things get him down and his words were always to Lynn, 'It Will Be OK' and he was right!

In his early 20s, Paul moved to Newport where he met Lynn and they married in 1980. Paul & Lynn moved to Ickleton in 1988 and had two children, Thomas and Charlotte. Charlotte has her own children, Leila & Albie, who Paul absolutely adored.

Paul was a man of many talents: his last Heath Robinson contraption was an American push bike with a motorised engine on it, and - yes - he succeeded! It did exactly what he wanted it to do.

He was involved with the Ickleton Cricket club (loved the social side), he had many laughs at those meetings! He also became a Parish councillor!!

His most favourite thing was playing his guitar, especially with Van Gogh's Ear (Paul's band) and this was a massive part of his life for many years. They played at holiday camps on the Norfolk & Suffolk coast, Saffron Walden Carnival, and many private functions & weddings. For 4 years in a row, they would go to Portugal to play at Jimmy Tarbuck's Golf Classic, meeting many celebrities such as Jasper Carrot, Henry Cooper & Stan Boardman.

Paul brought so much laughter to everyone around him, there are so many good memories, and he will be sorely missed by all.

I would also like to thank everyone, for their support, kind messages & attending Paul's funeral which was overwhelming. Thank you.

Ickleton Society AGM and Talk Thursday 19th May in the Church

Rachel Radford rachelmradford@btinternet.com

The David Parr House – an extraordinary Cambridge home

We were treated to a fabulous talk by Tamsin Wimhurst after our AGM on 19 May about David Parr and his small terraced house in Cambridge. Parr was a 'decorator artist' who worked for some of our best known Victorian designers of the day such as William Morris and George Bodley. In her illustrated talk, Tamsin showed us photographs of churches and palaces he had decorated for those who could afford it. Then we saw how, in his spare time, he had painstakingly decorated his humble terraced house in the same style. Now saved and restored by the David Parr House Charity of which Tamsin is founder and Chair of the Trustees, it is open to the public and Fiona Rose is looking to arrange a visit later in the year for members of the Ickleton Society.

WE NEED YOUR HELP!

WE URGENTLY NEED HELP with running our Arrows scout group. We are really struggling to recruit help for this group.

Whilst we have some brilliant volunteers helping to run our Arrows scouts group, we will really struggle if we are unable to find another person to help lead the group. We may need to reduce the group number or worst case stop this group altogether if we cannot find help ASAP. Arrow Scouts is for 10½ - 14 yr olds. They meet on Tuesdays at 7 - 8.30pm mainly in the Scout Hut in Duxford. If you or someone you know could help, please get in touch. You do not have to be a parent or have any scouting experience, just lots of enthusiasm; we can provide training, support and so much fun!

Some of their most recent adventures include building and painting furniture from pallets, village hikes, welly throwing, and planting trees at the South Cambridge Water Park.

Join the adventure...

If you would like to help as an assistant, committee member, young leader or share a skill, do get in touch. We would not be able to run without our amazing volunteers or if you have any other enquiries...
