Horse Chestnut Tree on Village Green

A large branch recently fell from this tree, and a tree surgeon has advised the Parish Council that work may need to be carried out to make the tree safe and reduce the risk of further branches falling. A second opinion is being sought from an arboricultural consultant in view of the prominence and significance of this tree. In the meantime the tree has been cordoned off as a temporary safety measure.

Badminton, Bridge, Zumba, toddler groups ,family parties- what do they all have in common?

They all happen in the village hall, along with many other activities. But to make that possible we need people to help the hall run smoothly- making sure that we keep the building and facilities maintained and that we comply with all the relevant regulations.

Shortly we will be losing some of our committee members; would you be willing to share your time and skills and get involved by joining the committee?

YOUTHINC: Sunday 10th September - 5 pm - Ickleton Village Hall

Hinkledux churches invite young people to a monthly gathering for FOOD-FUN- FRIENDSHIP - not necessarily in that order. YOUTHINC is a space to hang out with old friends and make new ones. To play games and get creative and just chat (about the small stuff or the big questions). And to eat, obviously.

*If you're a **parent or carer** of a young person attending, we're inviting you to a **parallel gathering** hosted by Lydia, the vicar. We probably won't be playing table tennis or Minecraft, but we will be sharing experiences of parenting teenagers and asking some big questions. And there'll be tea and cake, of course. We'll meet in the village hall between 5 and 6.30 pm each month.*

Contact Jenny Duke at youthincambs@gmail.com or rev Lydia Smith for further details.

CALLING ALL CYCLISTS and WALKERS... Saturday 9th September

All money raised will be shared between the Cambridgeshire Historic Churches Trust and your chosen church.... ICKLETON OF COURSE! will help to repair and maintain our amazing buildings.

Details for joining – contact Jenny Duke

From Rev Lydia - Bricks and Mortar

Over the past year, as I've visited Duxford Primary School, it's been very interesting to see the building work progress. I was even able to watch from my garden as the steel frames were put in and the roofline began to fill out.

This week, as I write in early August, some of the final work is taking place - not building, now, but dismantling. When I cycled past the playground on Monday, the temporary classrooms and sometime home of the DX Club and Duxford Preschool were being taken apart. Today - almost exactly 3 years since the school was engulfed in flames - they had gone for good.

A newspaper article from August 2019 quoted Suzanne, the head teacher, as she tried to face the future: "Together we will make sure we get back to having a place that is more than just bricks and mortar, but somewhere that offers children a place to develop and grow – somewhere they will continue to love."

These were brave words, containing a beautiful vision for the life of the school that was to be tested severely, not just with the challenge of the building, but also during COVID times, where children and families and schools were hard hit in so many ways.

On 10 September, near the start of the new term, there will be an **open day at school (*)**, where everyone is invited to come and see the new classrooms and other spaces. And at 10am, at the start of the open day there'll be a short service: a chance to reflect on this new beginning and its new opportunities, a chance to ask for God's blessing on the building and the school as it begins another phase in its life in the village. Please come and join us, to celebrate and look forward together.

Best wishes

Lydia

ICKLETON SOCIETY

Members' visit to All Saints Church and Jesus College Chapel, Cambridge Thursday 7 September, 10.30 am - 12.15 pm

We still have a few places available for this tour of some exceptional examples of Gothic Revival architecture and interiors in Cambridge. Our private guided tour will take us inside All Saints Church, otherwise known as "the painted church" for its extraordinary wall and ceiling painted decoration, and then across the road to Jesus College Chapel with stained glass and the breathtaking nave ceiling by the firm of Morris & Co. Rarely open to the public, All Saints is the work of architect George Frederick Bodley with interiors by William Morris, Charles Emer Kempe, and the Cambridge firm of Frederick Leach (employer of art decorator David Parr). We will learn about the history and decoration of the church from two experienced guides. At Jesus College Chapel we will focus on the works undertaken by William Morris and his firm.

The cost is £10 each for members, £15 for non-members. Contact Fiona Rose on fionarrose@yahoo.co.uk to book a place tel. ☎ **531233**.

Tour of historic Duxford In spite of poor weather, a group of hardy Ickleton Society members enjoyed a tour of Duxford's two historic churches, former schools, pubs, ale houses and other buildings on Sunday 30 July. Adrian Powter, a volunteer with the Churches Conservation Trust, was our guide and gave us many illuminating insights into Duxford's history as well as stories of times past. Fortunately the heavy rain also held off until close to the end of our visit.

The Hundred Parishes Society - short tour of Ickleton and their AGM, Tuesday 5 September

The Ickleton Society is a member of the Hundred Parishes Society and so all of our members can come along to this event. Before the AGM, I will be taking attendees on a short tour round the centre of the village explaining something about the historic buildings that we have. Meet at the Village Hall from **5 pm and the tour will start at about 5.30pm**. The brief AGM will be in the Village Hall at 7pm and one representative of our Society can vote on behalf of our members.

Ickleton Safari Supper – Saturday 16th September

The Safari Supper is a great community event. You can enjoy a pleasant evening with good food and great company and in addition raise money towards the upkeep of our beautiful village church.

How does it work...Everyone starts the evening at the village hall to collect their route and meet fellow travellers for the first course. Starter hosts will walk the group to their home.

You will enjoy a delicious starter in a friendly environment whilst getting to know other people in the group. At a designated time you will walk to your second host for the main course where you will meet a different set of fellow travellers. At the completion of this course you will return to the village hall for the pudding course, with coffee and brandy.

There is no set menu and hosts have free reign over their particular course. Hosts will do their best to accommodate individual requirements so tell us in advance if you are vegetarian etc.

So if you want to meet new people or catch up with familiar faces, enjoy good food in homes you may not normally visit, this is the event for you. Tickets cost £25 per head and are strictly limited.

To book contact glynis.hammond@googlemail.com .

Once again led by Iain, he will give an introductory talk about bats, then, armed with some bat detectors that Iain will provide, we will go searching for bats. From the different sounds we hear through the bat detectors, we should be able to identify what the bats are doing, and what species they are.

Meet at 18:45 in the **car park at security by the main Genome Campus entrance**.. Please bring a torch, as, even if the skies are clear, there will only be a crescent moon.

YOUTH ACTING COMPANY IN DUXFORD

The Lowndes Academy is looking for budding young actors to join their company. If you are **aged between 10 - 16 years old come and try out a free taster session.**

Classes are held on **Sundays 11am - 1pm** at Duxford Community Centre during term time.

The company was founded last year by the actress Emma Lowndes and has several professional coaches. It teaches a variety of workshops and also rehearses towards showcase and performance.

Workshops include Acting for Camera, Improvisation, Physical Theatre, Meisner Acting Technique, Voice and Devising. The company work with modern text, film scripts and also teach Shakespeare and verse.

The company is lucky enough to invite Industry Professionals to give insight into the business. Last years guest speakers were BAFTA winning actress and producer Rakie Ayola and her daughter Shani Smethurst from HBOs House Of The Dragon.

Emma saw a need for exceptional acting training at a realistic price. Because the LA hopes to open the door to all young people, they offer a scholarship fund for the training of a talented Young Person who may not be able to meet the fee requirements. If you think you/someone you know may qualify please get in touch. Interview may be required for this opportunity but you do not need former experience.

The autumn showcase will be A Midsummer Night's Dream so join now to be part of the production. We do not audition to get into the academy. All are welcome.

Find out more about us at www.thelowndesacademy.com where you can fill out a contact form.

DUXFORD SATURDAY WORKSHOP

If you enjoy music... and would like to learn to play an instrument, to play alongside others, or to sing in a choir, you'll be **hugely** welcome to come and join in the delights of “**Duxford Workshop**” - which is held at Duxford village school on Saturday mornings during term-time.

Registration for the 2023 - 24 Workshop year is on Saturday, September 9th, 10.00 – 11.30am – so, if you love music, do come along to see what ‘Workshop’ can offer you.

Workshop holds group tuition sessions, where adults and children from ‘Year Five’ onwards can learn to play an instrument. There is also a junior music and drama group for children from Year 1 upwards, as well as classes for adult beginners and ensembles for ‘improvers’ and for competent players.

Our members include adults who have always wanted to learn an instrument but haven't had the opportunity, alongside those of us who “haven't played for years...” but would like to get back into playing music again. In addition to the tuition classes, Workshop also has ensembles ranging from recorders, strings, jazz and wind bands, to folk fiddlers, ukulele players, guitarists, an adults' community choir **and** a full orchestra - so there are loads of opportunities for you!

A registered charity, Workshop is all about having fun by learning and performing together in an enjoyable and supportive environment. Indeed, some of our members find it **so** enjoyable that they have been coming along since the last century. Honestly, it's true!

Finally, don't worry if you don't have an instrument of your own – we have instruments for rental on very reasonable terms so will be happy to help you out if we can.

So, do come and find out why our members enjoy Workshop so much – and see what **you** can achieve! **Registration for the new 2023/24 Workshop year is on Saturday September 9th, from 10–11.30am** at Duxford School, St. John's Street, Duxford, and term begins two weeks later, at 9.30am on Saturday, September 23rd.

or more information, please see the Workshop website at: <https://duxfordsaturdayworkshop.org.uk/>
