### **Ickleton Parish Council:**

**Some items discussed at the Parish Council meeting held on 19<sup>th</sup> September 2012:**

**Replacement Editors of Icene** – The Parish Council needs to hear from people who would like to be part of a team taking the village magazine forward. There has been absolutely no response from anyone to date.

Your Councillors view Icene as a vital element of our village community and to see it disappear would be nothing short of a tragedy. We recognise that there is a commitment to be made in producing Icene each month, but feel that with a sufficient group of volunteers sharing the task with the use of modern technology this need not be too onerous. It would even be interesting and rewarding. The opportunity exists for people to put their own mark on the publication.

Although David and Monica have kindly indicated that they are prepared to carry on as Editors until successors are in place, this cannot be viewed as an indefinite commitment.

If you are interested please contact either Terry Sadler (Chairman) ☎530994 or e-mail: [terry@fern-cott.freeserve.co.uk](mailto:terry@fern-cott.freeserve.co.uk) or the Clerk (details below)

**Proposed 20mph Speed Limit** – This remains under consideration by the Parish Council, assisted by a focus group of residents (see elsewhere in this edition of Icene). Discussions also continue with CCC Highways. A consultation exercise will take place before any binding decisions are made.

**Super fast Broadband** – Cllr Stone (County) mentioned in his report that there have been 91 registrations from Ickleton out of a possible 314 recorded ‘premises’. This equates to 29%, which is very good for our part of the world.

A reminder that the website is [www.connectingcambridgeshire.co.uk/](http://www.connectingcambridgeshire.co.uk/) If there are still people out there who have not got round to registering, please do so now – it only takes a couple of minutes.

### **Planning application(s) received from SCDC:**

S/1643/12/LB – Replacement Fence and Gate – 1 Frogge Street – Approve

S/1644/12/FL – Replacement Fence and Gate – 1 Frogge Street – Approve

### **Application to carry out tree works subject to a tree preservation order or situated within a conservation area:**

C/11/40/54 – Walnut – Crown reduce by 30% and reshape as required to maintain at a size that befits its position / Ash – Crown reduce by 30% and reshape as required to maintain at a size that befits its position / Sycamore – fell to ground level – damaging neighbours fence – 7 Back Lane - Approve

C/11/40/054 – Reduce 10 Conifers by half approx. sixty feet in height and remove some limbs from the sides - some have split with the weight and some limbs have fallen off – Wayside, 36 Abbey Street – Approve

**SCDC Standards Committee – Localism Act 2011** - The Chairman had circulated a copy of the complaints procedure for Ickleton Parish Council. It was unanimously agreed to adopt the document. A copy is obtainable from the Parish Clerk on request.

**Village Website – Future plans:** Liz Gibson reported that a meeting had been held last Wednesday and they were reconvening next Wednesday. The group are still looking for involvement/suggestions. Please contact Andrew Shepperd [andrew@shepperd.eu](mailto:andrew@shepperd.eu) or Liz Gibson [eag@sanger.ak.uk](mailto:eag@sanger.ak.uk)

**SCDC Local Plan:** The Chairman had spent some time reviewing the issues and options consultation on the Local Plan and has submitted a response on behalf of the Parish Council, having obtained the consensus views of other Councillors.

**Help needed with strimming** - The Parish Council is in need of someone with a strimmer who would be available to undertake strimming jobs at fairly short notice. Payment is at commercial rates. The operator of the strimmer would need to have his or her own insurance cover. We would prefer to see the work done by someone from the village rather than look to an outside contractor. If anyone is interested please contact the Clerk. Typically the jobs will involve keeping footpaths clear.

## CHURCH GIFT DAY 2012

Once again, as Churchwarden, I am drawing your attention to another important date in our calendar – Church Gift Day. St Mary Magdalene is totally self sufficient receiving no outside financial help and depending entirely on the support of our local community. I know that money is tight at present for us all, but every little does help.

Have you thought of making more of your donations by Gift Aid or covenanting? This allows us to reclaim tax from HMRC on regular donations provided that the giver is a UK taxpayer, e.g. a covenanted or Gift Aid donation of £50 is worth £60+ to the church. A covenant can be for a fixed monthly amount or for a single annual payment for any period you like.

Gift Day this year will be on Saturday 20<sup>th</sup> October and I and other members of the PCC will be on hand in the church from 10.00 a.m. until 4.00 p.m. Complimentary tea coffee and cakes will be available all day, with soup provided between 12.00 noon and 2.00 p.m.

Do please drop in, if only for a few minutes.

**Rosemary McKillen**

## **NEWS FROM THE RECTORY**

Over the summer I found myself reading a wonderful book I last read at the age of twelve: Flora Thompson's *Lark Rise to Candleford*. Born the daughter of a stonemason in 1876, Flora Thompson grew up in an Oxfordshire hamlet amongst the families of agricultural labourers surviving on 10 shillings a week. Her picture of rural life, its hardships and its freedoms, is vivid and soaked through with her delight in the countryside, its weather and texture in all the different seasons of the year. This time, when I read it, I found its details connecting up with things people have told me about life in these villages in their childhood, or in the childhoods of their parents. There are still those around who remember the hard labour of working the land with nothing but fairly basic technology; the deep discomfort of pulling beet in frost; the sad fate of the horses when motor vehicles took over; scrumping in the farmer's walnut orchard and being chased out. And this October I think I will be especially aware of the people who lived here in the generations before my own, the farmers and labourers of the past, and will be giving thanks for their lives, when we give thanks for the lives of all those we love and see no longer, those who form a part of what we are.

This year that service of Commemoration for all who have died will be held in Duxford, on Friday November 2<sup>nd</sup> at 6.30 p.m. We will light candles and speak the names of those who have died in the three parishes. If you would like to remember someone dear to you, please put their name on the list in Ickleton church. And at the same time as we commemorate them we will thank God that he remembers those who are now forgotten by the living, and holds them in his own life beyond the narrow constraints of time.

**Rev Dr Jessica Martin**

## **HISTORIC CHURCHES TRUST RIDE & STRIDE**

Thank you to all those who helped with Church-sitting for the Historic Churches Trust Ride and Stride on Saturday September 8<sup>th</sup>. Dawn Bradley, Roy and Madelaine Smith, Peter Baker, Pam Fearn, Clare Driver, Fred Roberts, Helen Royce and Neil Mckillen all gave time to meet and greet the visitors.

Neil also cleared up the refreshments at the end – special thanks.

**Hilary Rule P.C.C Secretary**

## **ICKLETON CHURCH COFFEE MORNINGS**

Our coffee mornings now revert to their monthly schedule, being held on the first Tuesday of every month as from 2<sup>nd</sup> October.

We were pleased to welcome some new faces this year who have since become regulars. Everyone is welcome to come along to enjoy coffee, scones, cakes etc – you don't have to be a member of the church. This is your opportunity to meet friends old and new or, if new to Ickleton, to get to know some of your fellow villagers.

**Rosemary McKillen**

## **AUSTRALIAN VOICES**

Ickleton Church is hosting a concert by the Australian Voices on 8<sup>th</sup> November at 7.30 p.m. A group of a capello singers, the Voices are presently on a UK tour and received very good reviews in the north west recently.

Tickets can be purchased at [www.theaustralianvoices.com](http://www.theaustralianvoices.com) and will be available at the door. More in next month's scene.

**BIRTHDAY CONGRATULATIONS TO.....**Cecil Vincent, 90 on 24<sup>th</sup> September.

## **ROYAL BRITISH LEGION POPPY APPEAL**

As part of the annual Poppy Appeal the usual house-to-house collection will take place from Saturday 27<sup>th</sup> October until Saturday 10<sup>th</sup> November. Please give as generously as you can when the collector knocks on your door. Gift Aid is a way in which the Legion can benefit more from your donation by getting some additional money from the Revenue and Customs Department. It is available to any taxpayer and will turn each £1 donated into £1.25! To take advantage of this please either phone or email me and I will deliver you an envelope for your donation, which will be collected in the normal way. Thank you for your continuing support.

## **MANAGING TRAFFIC IN ICKLETON**

Following a recommendation by residents who attended the Annual Parish Meeting in May, the Parish Council established a working group chaired by Kern Roberts (Parish Councillor with responsibility for Highways) to consider ways in which we can better manage traffic in the village. The group, made up of residents of the village, met on Thursday 23<sup>rd</sup> August. The conclusions at these initial discussions were that the Parish Council (PC), in the first instance, should consider applying to reduce the speed limit throughout the village from 30mph to 20mph. Discussions by the PC with the appropriate officials at Cambridgeshire County Council should be established as soon as possible and the processes and time-lines put in place with a view to reducing the speed limit and putting up appropriate signage. At the same time the PC should explore with officials ways of reducing the number of lorries using Ickleton's streets as a transit route.

I welcome responses to the above before the next PC meeting which is scheduled to take place on Wednesday 17th October.

**Kern Roberts** email: [kern.business@hotmail.co.uk](mailto:kern.business@hotmail.co.uk)

## **ICKLETON SOCIETY**

A reminder of our 2 events this month. **The Evolution and Development of Ickleton** workshop led by Sue Oosthuizen is on Wednesday 3<sup>rd</sup> October in the Village Hall meeting room at 7.30 p.m. It costs £5 for members, £6 for non-members including wine and refreshments and should be a fascinating evening. Please contact me to check for late availability.

Our **Wine Tasting**, led by Sebastian Payne, is on Friday 26<sup>th</sup> October, 7.45 p.m. for 8.00 p.m. in the Village Hall meeting room. As always this will be a fun and entertaining evening and costs £13 for members, £15 for non-members, including lots of delicious cheese, French bread and nibbles. Contact Neil McKillen for tickets .

**Rachel Radford**

## **PIANO FOR SALE**

The Village Hall Committee has decided to sell the piano as it has received very little usage since we purchased it and selling it will free up some much needed storage space.

It is thought to be early 20<sup>th</sup> Century and was made by Gebr. Niendorf, Luckenwalde, Austria. It is built in an imposing oak case on an iron frame. It has a lovely tone and touch. The measurements are length 63", height 54.5" and width 26" (including keyboard). The castors which it runs on are rubber and slightly larger than normal to make movement easier and it will not mark wooden floors.

The price is £750 - for further details please contact Gordon Woolhouse

## **SAWSTON MEDICAL PRACTICE NEWS**

Regular physical activity is encouraged by the primary care team at the medical centre and we are very pleased to have been asked to pilot a new health initiative by the Amateur Swimming Association (ASA) and South Cambridgeshire Local Authority Swimming Pools.

In conjunction with 3 local sports centres (Sawston, Melbourn & Bottisham) we are promoting swimming or exercising in a pool as an excellent way of improving fitness levels for adults. There are 3 activities to choose from: adult swimming lesson, Aquafit or Swim4Fitness. The individual sports centres are offering free taster sessions of one or more of these activities, some will be during the day and some in the evening.

To access these sessions you need to collect a stamped form from our medical centre reception and it is then up to you to contact the leisure centre for details of times, dates and sessions available. If you have been thinking about increasing your physical activity this may be for you – why not give it a go? If the initiative works well then it will be extended into other parts of the county, including Cambridge City.

### **Flu vaccinations**

If you are entitled to a free flu vaccination and have not had yours yet, please give us a call and book an appointment. Sessions are available on Monday evenings and Wednesdays during the day. If you are not sure whether you qualify for a free vaccine check out our website [www.sawstonmedicalpractice.co.uk](http://www.sawstonmedicalpractice.co.uk) where you will find details. Alternatively information is available at reception.

### **Coming Soon**

Our own health passports are being prepared, these are booklets which are designed to help patients take more responsibility for and interest in their own health with hints and tips on how to improve it. We are very excited by this new piece of work and hope that our patients will be too – more details soon!

**Jenny Parker - Assistant Practice Manager**

## COSTCUTTER EXPRESS

Fresh meat is now available to buy and to order from our village shop. Order Mondays or Tuesdays for delivery on Thursdays.

Meat is supplied by Barker Bros., Great Shelford.

**Dilip & Sunita Odedra**

## TABLE TOP SALE - SUNDAY 4th NOVEMBER

There will be a table top sale in aid of the village hall on Sunday 4<sup>th</sup> November from 10.00 a.m. to 2.00 p.m. This is a perfect opportunity for you or your organisation to make a little extra cash just before Christmas and help the village hall at the same time. A charge of £10 will be made for each table and they measure 182cm x 69cm (6' x 2.3").

If you would like to book a table please contact either Pam Fearn email [pam@cmws.co.uk](mailto:pam@cmws.co.uk) or Jocelyn Flitton email [josflitton@tiscali.co.uk](mailto:josflitton@tiscali.co.uk)

**TABLES MUST BE BOOKED BY 12<sup>th</sup> OCTOBER PLEASE**

## CHESTERFORD & DISTRICT GARDENING SOCIETY

At the September meeting Mr Roy Nunn showed, with the help of slides, how to grow clematis throughout the year, and how and when to prune them. This is a confusing issue for most clematis growers!

Vice Chairman Gerry Birch took the meeting and thanked Pauline Gale, Catherine Cocks and Cynthia Rule for organising the three meetings this summer.

A letter of condolence has been sent to the family of the late Peggy Richardson. Peggy had been a regular attendee at the meetings and always took part in the flower shows.

Cali Holberry won the best bloom competition this month.

At the next meeting on October 3<sup>rd</sup> there will be a talk on 'Garden Antiques' by David Holmes.

Competition: A Home Grown Vegetable.

Audley End Apple Weekend will be held on September 29<sup>th</sup> & 30<sup>th</sup> from 11.00 a.m. to 5.00 p.m. This is worth a visit!

**Cynthia Rule**

## ON THE BUSES

'To improve reliability' Stagecoach has slightly altered the times of our Citi7 service going to Saffron Walden.

Stagecoach is running this service with no subsidy, so the County Council has no say in its route or timetable. And, as a commercial service, it really will be '**use it or lose it**'.

## **DUXFORD IMPERIAL WAR MUSEUM**

The Autumn Air Show on Sunday 14<sup>th</sup> October closes the air show season in relaxed style.

One of the highlights of the Autumn Air Show will be a display by P-51 Mustang *Ferocious Frankie* alongside Spitfire IX from the Old Flying Machine Company, presenting the might of the Merlin engine in these legendary American and British fighter aircraft.

Also flying will be North American TF-51 Mustang *Miss Velma* from The Fighter Collection.

These thrilling displays commemorate the 70<sup>th</sup> anniversary of the first flight of the Merlin-engine Mustang, a pivotal moment in aviation history which was initiated by events at RAF Duxford.

During the Second World War, the Air Fighting Development Unit (AFDU) was based at RAF Duxford. The AFDU provided technical intelligence to the RAF, developing operational tactics and testing captured enemy aircraft.

It was a phone call from Wing Commander Ian Campbell-Orde, Commanding Officer of the AFDU at RAF Duxford, to Ronnie Harker, Rolls-Royce service-liaison pilot, which started the sequence of events which would result in the matchless combination of the Mustang aircraft and the Rolls-Royce engine.

Harker was offered the opportunity to fly one of the new Allison-engine Mustangs that had recently arrived at RAF Duxford. He flew the aircraft on 30<sup>th</sup> April 1942 and was clearly impressed with its manoeuvrability, speed and agility. In his report, he commented "*The point that strikes me is that with a powerful and good engine like the Merlin 61, its performance should be outstanding, as it is 35mph faster than a Spitfire V at roughly the same power.*"

A subsequent visit to RAF Duxford by Willoughby Lappin, Personal Assistant to E W Hives, Director and General Works Manager at Rolls-Royce, ensured that the proposal was taken seriously and soon thereafter a meeting about the Mustang took place between Rolls-Royce and the Air Ministry.

After much backroom research, performance investigation testing and correspondence between Rolls-Royce, the American Embassy, North American Aviation (the aircraft manufacturer responsible for the Mustang) and the Air Ministry, the first aircraft was assigned for conversion. This, together with subsequent developments in the aircraft's propeller and fuel injection, resulted in the definitive American long-range single-seat fighter and an enduringly iconic aircraft that continues to amaze spectators with its aerial dexterity.

IWM Duxford air show favourites displaying at the Autumn Air Show include the Black Cats Lynx Pair from 702 Naval Air Squadron, RNAS Yeovilton; the Apache helicopter from the Army Air Corps at RAF Wattisham; BAE Systems Hawk from 208 Squadron at RAF Valley; Shorts Tucano from the Central Flying School Flight at RAF Linton-on-Ouse; Beechcraft King Air from 45 Squadron at RAF Cranwell and the Battle of Britain Memorial Flight Douglas DC-3 Dakota.

Showcasing historic aircraft based at IWM Duxford, there will be displays by B-17 Flying Fortress *Sally B*; North American F-86 Sabre; two Spitfires; two Curtiss P-40 Warhawks and a Goodyear Corsair.

Join us for the Autumn Air Show as we commemorate the innovation that led to the formidable Mustang fighter aircraft and celebrate another fantastic air show season at IWM Duxford.

There is still time to purchase your tickets in advance to save 10% and get a free child ticket, which is available with every adult or senior ticket purchased. This offer is on advance ticket purchases only; it cannot be used on the day of the event.

Tickets can be purchased online at [www.iwm.org.uk](http://www.iwm.org.uk) or by calling the Box Office on 01223 499 353. The Box Office is open from Monday to Friday from 9.30am to 4.30pm.

There is no booking fee but a postage and packing fee applies per transaction.

Advance tickets will be available until 5.00 p.m. on Wednesday 3<sup>rd</sup> October

## **MEDIA MOGUL WANTED !**

Is there nobody, or bodies, out there who would like to have a shot at editing the Icene?

E-mails, spellchecker and the pc in general have gradually made the Icene far easier to edit than when we started a generation ago.

There is an efficient distribution and delivery team in place, and even the delivery and collection from Harts in Saffron Walden could be done by a different person.

Please feel free to speak to us if you are even remotely interested.

**David & Monica Lilley**

## **FREE FIREWORK DISPLAY AT THE GENOME CAMPUS!**

The Genome Campus Sports and Social Club are holding their annual Fireworks display at the Genome Campus on Tuesday 6<sup>th</sup> November. As always, all residents of the surrounding villages are very welcome to attend. Due to the on-going building work on site, the evening will be a little different from usual. This year, the show will be fired from the cricket pitch, with spectators asked to congregate on the grass area on the opposite side of the lake between the Sulston Building and the Conference Centre. To minimise the need for vast numbers of people to negotiate the site, catering for this year's event will also be different – there will be a Hog Roast van offering roast pork, beef and lamb baps with chips and salad and an alternative option for vegetarians. There will also be a van offering sweet crepes and somewhere to purchase hot drinks. Food will be available from 5.30 p.m. until the show starts at approximately 7.15 p.m. There are parking spaces available for those who need to drive. If you are going to attend, please make sure that you get there in plenty of time – due to the safety measures that have to be in place for this event, access to the cricket pitch area of the grounds will be strictly forbidden. Access to the grounds over the Wetlands Nature reserve and through the large gates to Hinxtton should still be available.

If you have any questions or queries please feel free to contact me.

## **A PLEA FROM ICENE EDITORS**

For computer generated articles sent by email for inclusion in the 'Icene' PLEASE ensure that you do a word attachment with no formatting, just straight typing and ordinary line spacing.

We do not want line spacing under headings and between paragraphs.

It would be helpful if you could ring us a day or so later to confirm we have received your email.

Obviously, if you do not have a computer, hand-written articles are still welcomed.

Thank you.
