### **Ickleton Parish Council Annual Parish Meeting**

Thirty residents plus the Chairman and Clerk attended this meeting. Following drinks and nibbles the Chairman gave his annual report covering the past year and the Parish Council's Financial Statement. This was followed by reports from other village organisations and a lively discussion focusing mainly on poor driver behaviour often witnessed by residents and the perennial problem of dog fouling. If anyone wishes to read any of the reports or the Financial Statement they can apply to the Clerk.

### **Extracts from the Parish Council Meeting on 19 June 2013**

**Definitive Map Modification Order 2011** – The legal process under which the footpath crossing the railway line from Duxford to Hinxtion beyond the end of Water Lane has reached a conclusion. This railway crossing has been closed and it has been decided that the public footpath now runs from Duxford along the western side of the railway line to Hinxtion level crossing in Brookhampton Street. The Parish Council are disappointed with this outcome, and has viewed the entire exercise as a waste of time and public money, but we are obliged to accept the decision. What is now regarded as the correct line may now be used by the public, and the County Council is working with the landowner to provide suitable pedestrian and vehicle access at the Brookhampton Street end.

**Planning application(s) received from SCDC:** Lewis Duke declared an interest and did not take part in the discussion. S/0960/13/FL – Change of use of annexe to form separate dwelling, modifications to existing access and associated fences, gate and hard standing – 66 Abbey Street – Mrs Barbara Cooper. After discussion, it was agreed to recommend: Refusal

S/0973/13/FL – Temporary planning permission for the retention of 4 refrigeration units on the south west elevation of the Sulstan Building – Wellcome Trust Genome Campus, Hinxtion – Wellcome Trust. After discussion all agreed to recommend: Approve

**Planning application(s) granted by SCDC:** S/0755/13/FL – Alterations to main entrance wing; erection of entrance lobby to west elevation garden; replacement plant at roof level and associated works – Sulstan Building, Wellcome Trust Genome Campus, Hinxtion – Miss Lisa Bowden, Wellcome Trust.

**Re-siting of the Basketball Square** – The Cricket Club would like to relocate the Basketball Square because it intrudes on the cricket outfield and is a safety hazard for the players. The Club will finance the move. The Parish Council is minded to support the Club, which has yet to suggest a suitable new location. Any suggestions could be made to the Cricket Club.

**Litter & Dog Bins – Recreation Ground and Bus Shelters** – The Clerk has contacted SCDC to empty these bins in future and is awaiting a response. A stopgap solution is in hand but it may be necessary that you bear with us for a period until a permanent solution is in place. Please report any overflowing bin to any parish councillor. If anyone would like to take this task on, which has been carried out so diligently by Ron Coulson for many years, please contact the Clerk.

**Neighbourhood Watch Coordinator** - Keith Head announced at the Annual Parish Meeting that his family is moving and he therefore had to resign as the Coordinator. We thank him and Tracy Head for looking after the Neighbourhood Watch in the village for several years. ***We are therefore looking for a new Neighbourhood Watch Coordinator and anyone interested should contact the Clerk.***

## News from the Rectory

Our news is all people news. As I write, we are about to say goodbye to Ruth Whitehead, who has been a wonderful colleague and minister, and who will leave a great hole in our lives. She goes on to be Moderator for the South West Region, and will be marvellous at it, but will be terribly missed. She has enriched the lives of our villages, and I, for one, have learned an awful lot from her intelligent and sensitive presence.

But not all our people news is sad. There are two new people becoming involved in the lives of the three villages. One is Petra Shakeshaft, an ordinand on placement from Westcott house, mother of Eleanor and wife of Paul, and living in Sawston. We are delighted that she will be spending the summer with us - taking services, visiting, and becoming involved in pastoral offices such as baptisms as well as our family activities. And the other is the Revd Phil Sharkey, who will be licensed to the three parishes (with a brief also to assist in Whittlesford and Pampisford) at the beginning of September, but who is already getting involved in some things. We are so delighted they are coming, and hope to learn a lot from them. I hope people will meet them round and about and make them both welcome.

## CHESTERFORD AND DISTRICT GARDENING SOCIETY

On 5<sup>th</sup> June Steve Poyser from the Cambridgeshire Beekeepers' Association gave a fascinating talk entitled "Beekeeping & The Gardener". He also brought honey and beeswax products to sell. The winner of the Best Bloom competition was Duncan Gates with a beautiful rose.

Our next meeting is on **Wednesday 3rd July** at 8pm. The talk is entitled "The Herbaceous Border through the seasons" and the competition is an herbaceous perennial.

On **Wednesday 17<sup>th</sup> July** there will be an outing to Hopleys (Gardens & Nursery) in Much Hadham. Visitors and new members are most welcome

**Catherine Cocks ☎ 531125**

## Ickleton Open Gardens

Congratulations to all on this event on Sunday 23 June – to all 15 gardeners and to the organisers – Pam Fearn, Catherine Cocks, Fiona Rose (publicity) and other helpers. The gardens – large and small equally were object lessons in horticultural splendour, wild life conservation and the sheer hard work that goes into successful gardening, and an inspiration to the large number of attendees.

Floreat horticulturum ickletoniensis.

This is back with a Royal Baby Theme!

Put the date in your diaries now. 3pm onwards on the recreation ground. Featuring 'the men' on the BBQ, tea tent, lots of cake, old fashioned games and races. After the success of last years Jubilee Dance we will be holding a ticketed evening dance in the hall, straight after the Sizzler. ## ICKLETON SOCIETY

### Church fete teas - help - Saturday 6<sup>th</sup> July

If you can help by donating cakes or spend a little time helping to serve on the day, please contact me or Clare Driver ☎ 531958 or email [clare@domesticblissappointments.co.uk](mailto:clare@domesticblissappointments.co.uk)) or come along on the day.

### Ickleton Past and Present Saturday 28<sup>th</sup> September

For the first time ever we are going to put out the whole of the village archive; yes, all 3500 photos, 700 documents and 150 artefacts! Drop into the Village Hall any time between 11am and 3pm to browse the amazing records which capture the living history of our lovely village. We will have activities for children and youngsters and offer some advice on how to keep family mementos safe.

We also hope that many people will bring things along to **'Show and Tell'** – anything relating to Ickleton or that might be interesting - photos of people, events, house restorations, bits and pieces found in your attic or garden and so on. We will have facilities to copy documents and photos on the spot for adding to the archive – and we are not just interested in the past, but in more recent events too. This should be a really interesting day so do put it in your diary!

### Tour of the Cambridge Botanic Garden

On Sunday 16<sup>th</sup> June a group of members visited the Botanic Garden. Our delightful guide, Peggy, made the afternoon both interesting and fun. Nearly all of us had visited the garden before but we learnt so many new things – for example most of us had no idea that horse chestnut flowers have a yellow spot to attract bees which turns pink (which bees can't see so well) once the flower has been pollinated! The afternoon was rounded off nicely with tea and cake in the café.

Rachel Radford ☎ 530994

## Welcome

The village extends a warm welcome to:

Sarah and Simon Fawcett and their children Amelie and Joshua, and an extended welcome to Simon's parents Richard and Joan Fawcett, who have moved in to Norman Hall, Church Street. They will soon be joined by a Russian Terrier, Fossie. The family have moved from Cambridge.

Ed and Penny Lewis and their children Ben, Sophie and Sam, dogs Tom and Bailey and cats Lily and Matilda who have moved in to Dove Barn, Butcher's Hill from the Bury St Edmunds area.

Doug and Catherine Hay and their children Georgie (aged 8), Will (aged 6) and twin girls Anna and Millie (aged 4) who have moved in to 1 Priory Farm Barns, Back Lane.

If you have moved to the village recently, had a baby or have a new neighbour do let me know.

Clare Driver ☎ 531958 or [clare@domesticblissappointments.co.uk](mailto:clare@domesticblissappointments.co.uk)

## Elsie Cresswell (1921 - 2013)

Elsie passed away peacefully at home on 19<sup>th</sup> May aged 91. Wife of Tom, mother of Curt and mother-in-law of Wendy, grandmother of Jo and dear departed Paul, great-grandmother of Sam and Max. The family would like to thank all friends and neighbours for their kindness and support at this sad time.

## CONGRATULATIONS – Golden Wedding

We celebrated our Golden Wedding anniversary in May with a party in the Village Hall for over 200 of our family and friends.

We decided we didn't want presents so we had a collection for the East Air Anglian Ambulance and are very pleased to say that we raised £1,040 and would like to thank everyone who gave so generously.

Thank you all .

Carol and Barry Turton

## ICKLETON CRICKET CLUB

In the Sunday fixtures the Lions enjoyed a strong away win against Wendens Ambo – who will be looking for revenge in a return at Ickleton on 7<sup>th</sup> July.

Don't forget the **Charity Quiz** night at the **Village Hall** on **Saturday 29<sup>th</sup> June**. It promises to be a fun packed evening.

## WEA Ickleton and Chesterfords branch

Last year we once again enjoyed two excellent courses, which attracted a good number of participants. During the Autumn course, with Liz Carter, we were able to study Victorian households across the social scale, using contemporary records to explore various parts of their lives (and deaths!). For the Spring term we had Richard Till to ably introduce us to research of the last ten years which has given us new insights into pre- Roman Britain, Roman Britain and the events leading up to Boudica's Revolt.

Both courses inspired lots of questions and lively discussions with very interactive groups and knowledgeable, excellent tutors. We look forward to more of the same opportunities in the next sessions. Everybody is welcome to join us for the new courses as below.

**The Annual General Meeting** will be held at the Congregational Chapel, Great Chesterford on **Wednesday 11<sup>th</sup> September at 10 am**.

All are welcome to attend. Business will be kept to a minimum. We will hope to meet the tutors for the next year and hear about the courses on offer. Refreshments will follow.

For the **Autumn 2013** the course will be:

### **The Post War World**

Looking at the origins and development of the Cold War, the Arab/Israeli conflict and Britain's loss of Empire.

**Tutor - Stephen Corley**

Wednesday mornings at 10 am - 10 weeks from 18<sup>th</sup> September

Congregational Chapel,  
Great Chesterford

For the **Spring 2014** term, the course will be:

### **Birds for all Seasons**

The fascination of birds in Britain throughout the year

**Tutor - Brian Sawford**

Wednesday mornings at 10 am - 10 weeks from 8th January Ickleton Village Hall.

The first two sessions of the courses may be sampled for £4.53 each, to be set against the fee of £45.30 if continuing. Courses are free to those on certain benefits.

We are able to offer lifts between the villages. More information from **Margaret Beston ☎ 530454**
