**All contributions please to 10 Brookhampton Street
Deadline for next Icene Bulletin 21st August**

Thank you to all contributors this month.

ON THE MOVE This month we welcome five families into the village - see Clare Driver's welcome notes on page 8. Likewise we say goodbye to those who have left Ickleton and wish them good fortune.

THE FETE A great success in spite of the weather (good British spirit) and thanks to Keena McKillen and her group and all helpers for this, and to Phil Sharkey for photos - see page 7. Thanks to all who attended and contributed to the record £3,200 raised.

SPONSOR CYCLING for Charities Mark Turton continuing his rides in southern England, and Martin Woodhead to the Alps! - just completed. See pages 8 and 9.

COMEDY OF ERRORS - meaning Shakespeare's - the big event in August on **Bank Holiday Monday 25th at 5 pm**. Don't miss it. See page 8.

On a more serious note please see Parish Council Chairman Terry Sadler's call to parents on current problems at the Ickleton recreation ground - page 3.

Ickleton Parish Council

Extracts from the Meeting held on 16 July 2014

The Parish Council wish to draw your attention to the following:

Nitrous Oxide (Laughing gas) was being used in large quantities on the Recreation Ground with debris left lying around. The Police have been informed and can be contacted via e-mail: christopher.wiseman@cambs.pnn.police.uk or gary.kendall@cambs.pnn.police.uk Please read the article by the Chairman inside the bulletin.

Parish Councillor Vacancy - Co-option There had been only one application - Lucy Davidson - to fill the vacancy on the Parish Council. The Chairman proposed and all agreed that Lucy Davidson be co-opted.

Ickleton Post Office Responses to letters sent had been received from Mr Andrew Lansley CBE, MP and Sir Alan Haselhurst MP. Andrew Lansley had been in touch with the Post Office (Gary Herbert)

who responded suggesting a meeting. A meeting with Mr Herbert, Mr Odedra and representatives from the Parish Council will be arranged.

White Lining 'Give Way' in Frogge Street - CCC have renewed the white lining.

Planning application(s) received from SCDC:

The Clerk left the meeting.

S/1471/14/FL Erection of single storey extension to rear of dwelling in place of existing lean-to-shed and replacement of corrugated metal roof to side of dwelling with a natural slate roof – 1 Abbey Street, Ickleton – Miss Jocelyn Flitton Approve

The Clerk rejoined the meeting. Cllr Peter Topping joined the meeting.

Application to SCDC for Lawful Development Certificate:

S/1316/14/LD Lawful Development Certificate for Proposed Single Storey Rear Extension – 6 Southfield, Ickleton – Mr & Mrs Lingard. No comment or action was required.

Appeal made to the Secretary of State against the decision of SCDC:

Use of Land for siting of Mobile Home – Ickleton Riverside Barns, Frogge Street, Ickleton – Mr H Miles. Appeal reference: APP/WO530/A/14/2220481. Appeal start date: 18 June 2014. Representations had to be made by 23 July 2014. The Chairman will send a response saying we maintain our previous comments and note that the site was again flooded in February.

Planning application(s) granted by SCDC:

S/0373/14/FL Dwelling and Associated Works – Land to the west of 20 Church Street, Ickleton – Heddon Management Ltd.

S/0603/14/FL Single storey rear Orangery Extension – 26 Abbey Street, Ickleton – Mr & Mrs R Olds & J Hawkins

S/0690/14/LB Single storey rear Orangery Extension – 26 Abbey Street, Ickleton – Mr & Mrs R Olds & J Hawkins

Traffic Calming Both features were still incomplete and accidents had been occurring especially in Frogge Street. CCC Highways and the contractors had been notified and it is hoped completion will take place in the very near future. It is helpful that incidents are reported to the Parish Council as these highlight the need for these features to be fully completed.

Storage for Sports Clubs After discussion it was agreed that a Metal Garage would be more suitable and we should look to purchase this as opposed to the Barn type. The cost had been given as £10,082. It was proposed and agreed that Michael Robinson would Project Manage this on behalf of the Parish Council. Ickleton Cricket Club is to notify the Parish Council how much they can contribute towards this building, which will belong to the Parish Council. Precise funding arrangements will be established next month.

Parish Clerk – Replacement/Vacancy Due to holidays, the applicants had not been interviewed. Suitable dates will be arranged.

A call to Ickleton parents from the Parish Council Chairman

Our Recreation Field is a great asset and is an exceptional facility for a village of Ickleton's size. It really comes into its own in the warmer months, and many of us enjoy being there and being in the company of others, whether engaged in or watching sporting activities, visiting or helping with the village fete, accompanying children to the play area, or just walking, with or without a dog

Unfortunately some teenagers – who do not all come from Ickleton, but some do – are using the Rec as a location for substance abuse. Large amounts of gas capsules and other debris such as balloons are being discarded on the Rec indicating that nitrous oxide (so-called laughing gas) is being inhaled on a substantial scale. Intoxication of any sort is not desirable on the skate park or other play equipment. Although using nitrous oxide is not illegal, this activity can give rise to significant physical and mental health risks. Check out www.talktofrank.com/drug/nitrous-oxide.

I am particularly concerned that abuse of nitrous oxide on the scale indicated by the rubbish left behind may lead to a normalisation of such activity and to experimentation with illegal drugs. If this is happening in the presence of younger children I think we should all be very concerned.

The police have been advised of this abuse taking place on the Rec and elsewhere around the village. Sightings of cannabis use have also been reported to the police.

With the long holiday now upon us, parents might want to keep an eye on the Recreation Field and activities their children may be engaged in. Most teenagers and other children in Ickleton will thankfully have more sense than to be involved in serious substance abuse but some may need parental guidance. A discussion with your child if you think he or she may be involved would be a good starting point.

News from the Rectory

By the time you read this I will be out in America, though at the time of writing this seems completely unlikely, not to say impossible. I return in the last week of the month to an array of celebrations – a wedding and two baptisms – before we begin ‘busy-ness’ again in earnest in September.

In the meantime, though, perhaps August can offer some of the space and quiet which busy modern lives so often lack. There is a psalm which talks about the busy stuff humans do, which I often go back to and which we chose as a reading for Theodora’s baptism: it reminds us that the enterprises we embark on in the world are not just of our own making, and that letting go of constant control over one’s activity and environment is a necessary part of being a human creature:

Except the Lord build the house, it is in vain that you build it.
Except the Lord keep the city, the watchman waketh in vain.
It is in vain that you rise so early, and go to bed so late, and eat the bread of anxiety,
For he giveth his beloved sleep. (Psalm 127)

I am aware of the irony: that I recall these words at dawn as I begin to plough through the different things I must achieve before the day begins in earnest – but outside the garden has that extraordinary five o’clock stillness and the birds are beginning to sing up the sunrise. I am reminded that the purpose of being alive, a sentient human being made in the image of God, is praise.

NB: In my absence (I will be back in the villages on the 26th) it is still worth ringing the parish office if you need help and information. The phone message will give you information as to who you should contact for different kinds of query.

Food Bank - at the church

Donations of food to help people in need. Leave in the church at any time. The following are particularly welcomed: Tinned sponge puddings; long life fruit juice cartons; UHT or powdered milk; granulated sugar 500g; pasta sauces in jars; jams; snack bars, sweetie and crisp treats.
All will go to the Cambridge City Food Bank.

Coffee Mornings

Coffee mornings at the church are currently **every Tuesday from 10.00 - 12.00**. All welcome. All ages.

They are outside in the sun if the weather is sunny and warm!

Rosemary McKillen

Ickleton Bluegrass Sunday 7th September

Bluegrass Gospel music in the church with **The Grass Souls** at approximately 11.45 following the family service and coffee.

Afterwards there will be a Bluegrass jam session and BBQ in the garden of the Ickleton Lion where everyone is welcome to bring an instrument and join in. All abilities are welcome or just come along and listen.

Charitable donations will be gratefully accepted and will go to The Alzheimer's Association, Cancer Research and the Church. In memory of Jim and Joan Harvey.

THE CHESTERFORDS, ICKLETON AND HINXTON W.I.

There was a change of speaker for the June meeting. Instead of the talk on Medieval London, the speaker from the National Trust gave a very interesting talk with slides on the gardens of the National Trust.

This year's AGM resolution aimed at getting people to talk to their families about organ donation and making their wishes known. 98% voted in favour.

The meeting in July was cancelled and will take place on **20th August instead**.- a talk by Gerald Dodd - "What's the Smell in the Kitchen"! 7.45 pm in the Congregational Church, Great Chesterford. Visitors welcome.

A reminder about Evelyn Lilley's cream teas on **11th August, 2 to 5 pm**, at 7 Stanley Road, Great Chesterford. In aid of East Anglian Air Ambulance Service. This is always a very happy event and well worth supporting. Also open to non members.

VILLAGE HALL BOOKING SECRETARY REQUIRED

Flexible to your own hours, administering the regular groups bookings for village clubs and organisation and some occasional bookings for other functions. It would be possible for the job to be shared between two people, one person taking care of the bookings and the other looking after the financial side. You just need to be a friendly helpful person or persons with some computer skills and enjoy meeting people. In return we are able to offer a remuneration in recognition of the time given.

If you think you would be interested in learning more of what is involved and what you receive in return please contact either Pam Fearn (☎ 531916 or 07802 362528 or email pam@cmws.co.uk) or Jocelyn Flitton (☎ 530407 or josflitton@tiscali.co.uk). A wonderful opportunity to be part of essential services to the village community.

FUTURE EVENTS

VILLAGE HALL OPEN DAY - SATURDAY 6TH DECEMBER

The village hall management committee will hold an Open Day on Saturday 6th December, 11.30 - 2.30. It will be a perfect opportunity to come along and see what activities and clubs take place in the hall throughout the year.

VILLAGE HALL QUIZ - SATURDAY 31ST JANUARY 2015

We know its a long way off but put the date in your diary and swat up on your quiz knowledge. More details of both events will be in later editions of the Icene.

ICKLETON SOCIETY

Coploe Hill Strip Lynchets and Baulks

The skies cleared miraculously for a fine evening for this visit. Twenty of us (well 19 and one dog) met at the motorway bridge and walked up towards the strip lynchets. Peter and Sian Wombwell explained that English Heritage believe the lynchets to be of national importance and that they are working with Natural England to restore them. The plan is for a substantial part of the scrubby woodland on the lynchets to be cut down and the roots killed to reveal the archaeology, though specimen trees will be kept.

Sian and Peter showed us an area of land which will become a wildflower meadow and then took us down through the 3 levels of the lynchets telling us about the wildlife to be found there, including many butterflies, bees, bats and various endangered species of birds. Barn owls and red kites can also be seen. They will be providing new habitats and will maintain the land by grazing a flock of sheep. At the bottom of the field we saw the pond they have created which is fed by the Slade. It is early days but wildlife is already beginning to arrive and it will become a great habitat. Finally, a few of us walked on a further half mile to see a small orchard which Sian and Peter are restoring with heritage varieties.

We are extremely grateful to Sian and Peter for taking us round and explaining the transformation that will be taking place. We had a fascinating evening which was topped off by a beautiful sunset.

Great Chesterford and District Gardening Society

40th Anniversary Year

The Society, which is affiliated to the Royal Horticultural Society and covers seven local villages including Great Chesterford, organises meetings, talks and events for people interested in gardens and gardening. New members (including novice gardeners) and visitors are always welcome. Discounts are available for members through national and local suppliers. Meetings are normally held at 8.00 pm on the first Wednesday of the month.

For further information please contact Chair, Mrs Pauline Gale 01799 525543.

In spite of the changes in the weather during the growing season members exhibited a wide variety of flowers and produce at the bi-annual Mini Flower Show at the *July* meeting. More fun and social than fierce competition, members voted the mini courgettes as 'best in show'. Please note that there will be no meeting during August.

About twenty five members of the Garden Society enjoyed their Summer Outing to Snares Hill Cottage at Duck End, near Stebbing, one bright evening at the beginning of July. The deceptively large garden was positioned well back from the road and had many different features....colourful borders, woodland, a stream and ponds, veg & herb plots, chickens, various buildings, including a tree house, and a magnificent natural swimming pond, complete with a frog and a newt! The owners' sense of humour was displayed throughout with quirky sculptures, artwork and quotations in suitable places. It was lovely to visit a garden open for the NGS that was informal and natural...quite inspirational for those who fight a constant battle with weeds! The evening finished with delicious home-made cakes and liquid refreshments. This garden is open again for the NGS on Sunday 14th September for those who would like to visit.

The next meeting will be the **GARDENERS' QUESTION TIME** (40th Anniversary Event) to be held not in the Chapel but in the **Main Hall, Chesterford Community Centre at 8.00 pm on Wednesday 3rd September**. Visitors welcome.

Ickleton Fete 2014

What another wonderful fete, despite a rainy start! A huge thank you to everyone who helped before, during and after the event – each year we seem to have more and more support and help, which generates a fantastic amount of energy, fun and community spirit. There are so many individual contributions that it's impossible to capture them all, but I'll share a couple of things that really touched the organising committee this year:

- The human fruit machine – it is thanks to the artistry, ingenuity and elbow grease of Derek Rule that we had the wonderful fruit machine manned so professionally by our clergy. Who knew a table tennis table, iron bar and bell could be transformed in such a way?!
- Charles Frankau – each year without fail Charles has gallantly transported whatever has been asked of him but this year he also donated bales of hay for our arena knowing that they were likely to be ruined in the rain.
- The Jeffreys – Rob and Catherine drove through the night to ensure they made it to Ickleton in time to put up the marquees – a job which they have down to a fine art, even when half asleep.
- Our young people – we had a huge number of Ickleton young people helping at the fete, some just turned up that morning. They did everything and anything that was asked of them and showed just how brilliant our children are.

Forgive us if you've not been mentioned here, we appreciate everything that is done for the fete, large or small, because, despite the cliché, we really couldn't do it without you. And the result of all the hard work was a fantastic £3,200 profit – quite astonishing given the slow start caused by the weather.

We've had people say that the Ickleton fete is the 'not-to-be missed' event of the summer and we really want to keep it that way so we're starting planning early for next year. Mark the date in your diary now - **Saturday 27 June 2015** and keep in touch via the fete blog ickletonvillagefete.wordpress.com to see what's happening or add suggestions.

WELCOMES

Welcome to **Peter and Sheila Bricknell** who have moved to Chestnuts, Brookhampton Street. Both are retired and have been in the area for a long time, having moved to Great Chesterford in 1977 and into Saffron Walden in 1980. Peter is active in Rotary and enjoys rugby and bridge. Sheila enjoys art and cinema.

Welcome to **Andrew Bassi and Laura Neaves** who are moving to 91 Abbey Street by the end of July. Lily and Jessica Neaves who are 6 & 5 both going into year 3 & year 1 respectively. Andrew is a forensic security consultant working in Sawston and Laura is a happy housewife who likes to cook. The family have a lot of cats - 6 currently so please motorists watch out.

Welcome to **Anna Bejar Suarez** newly arrived in The Stackyards. She has recently relocated from Spain. Anna works at Addenbrookes Hospital where no doubt she cheers up all the patients with her lovely smile.

Welcome to **Carol and Martin Waters** who have moved into 20 Brookhampton Street. They have arrived from Wanstead London with three grown children and 2 grandchildren. Martin was born in London and Carol in Liverpool. Both Martin and Carol work for the West London Metropolitan Police. Keen gardeners and football supporters (Leyton Orient). When they settle in they hope to get a dog.

And welcome back to **Julian, Caroline, Georgina, Matthew and James Owen** previously from Norman Hall who move into 8 Mill Lane with the 2 cats this week. Thanks to them for letting children and some adults have coaching using the tennis courts, which has been much appreciated.

If you have recently moved into the village or you have new neighbours please contact **Clare Driver**

SPONSOR Ride London - Surrey 100

In aid of Diabetes Research

My wife Hazel and I took part in the Ickleton Cricket Club ride and the Walden Velo 101 ride last month. On August 10th I will be riding 100 miles from London to Surrey and raising funds for Juvenile Diabetes Research Foundation (JDRF).

My godson was diagnosed with type 1 diabetes at 6 years old and I would like to raise awareness about this condition and contribute towards research into finding a cure. The UK has the world's fifth highest rate of Type 1 diagnosis in children aged up to 14.

If you would like to help with my fundraising please visit <http://uk.virginmoneygiving.com/giving/> and under the 'Sponsor your friend' link enter **Mark Turton**. With many thanks. **Mark Turton**

INDOOR BOWLS

The Bowls Group has restarted in the Village Hall on **Thursdays 2 - 4 pm**.
New members are very welcome. Come and spend a relaxed afternoon with a little exercise thrown in.
Cups of tea at 3 pm. No expertise required - learners welcome. Bowls provided. Cost £2 per person.

SPONSOR **Martin Woodhead – who cycled from London to the Alps to raise money for the Stationers' Foundation**

Martin Woodhead, a 69 year old grandpa, recently retired from Woodhead Publishing following its acquisition by Elsevier in August 2013, has just completed a 641 mile bike ride from Stationers' Hall in London to Les Gets in the French Alps to raise money for the Stationers' Foundation. The Foundation is **the charitable arm of the Stationers' Company** and provides support for schools, bursaries for students in publishing, and will shortly be announcing a link with a major London comprehensive school. His target is to **raise £5,000**.

Leaving on 1st July from Stationers' Hall, his route took him via Newhaven and Dieppe using parts of the new Avenue Verte cycle way between London and Paris. Then it was across to Dijon and onwards to the Jura mountains before crossing Lake Geneva and the final 800 metre climb to Les Gets. The journey took 13 days and involved climbing a total of 9,435 metres and descending 8,175 of them.

On arrival in Les Gets Martin said, "Many people said I was barking mad to embark on this ride, and they were absolutely right. But, luckily, nothing fell off either the bike or rider and a considerable amount of money has been raised for the Stationers' Foundation which will be of direct benefit to the industries we work in."

Martin is seeking sponsorship to enable him to reach his target, which can be done quickly and easily by visiting: www.bmycharity.com/stationersfoundation. He also did a daily blog of his ride, which is more about his wine and cheese consumption en route than anything else. This can be found at: <http://martinwoodheadsblog.wordpress.com> .

For further information about the Stationers' Company visit www.stationers.org or contact Deborah Rea: communications@stationers.org. Martin can be contacted at: martin.woodhead1@btinternet.com.
