- viii. External audit arrangements**

All authorities require an appointed external auditor. Under the Local Audit (Smaller Authorities) Regulations 2015, SAAA is responsible for appointing external auditors to all applicable opted-in smaller authorities.

The next 5-year appointing period runs from 2022-23 until 2026-27 and SAAA has undertaken a procurement exercise to appoint auditors to each County area from 1 April 2022.

During the previous 5-year period all smaller authorities were 'opted-in' to the central procurement regime managed by SAAA and now all authorities must be given the option to opt-out of the central procurement and appointment scheme and appoint their own external auditor for the next 5-year period.

It was unanimously resolved that the Parish Council would remain with the current arrangements and not opt out.
