

The Ickleton Society was founded in 1981 in response to the proposed expansion of Stansted Airport. The Society is run by volunteers and continues to promote the interests of Ickleton residents and help maintain the lovely village environment.

Funding for the Society's continuation is from villagers' subscriptions. There is no obligation to take an active part in the Society or attend meetings and events, but we very much hope you will want to.

Members are cordially invited to the Society's Annual General Meeting in May, where in addition to the year's business, there is a talk of local interest by an invited speaker, accompanied by refreshments.
